CAN A CHRISTIAN VOTE FOR TAFT?

It is by no means necessary for Mr. Taft to be defeated by an opposing candidate to get rid of him. If the Christian ministers of this nation had the courage of their convictions and would prove themselves the friend of Him they call Saviour, the matter would be easily settled. Suppose that on next Sunday every Christian minister should proclaim to the world the iniquity of electing Mr. Taft, what would be the result? In less than one week the National Republican Committee would be called together and Taft would withdraw from the race and another candidate would fill his place.

The preachers will not do their duty, at least a part of them will not, if before there is nothing for Christian people to do except to vote against the electors who are pledged to support Taft.

Many ministers of the gospel are more devoted to their political party than they are to their Christ. Thus they willingly deny their Christ, and many of them will so far forget their duty to their Christ as to vote for a man who says there is no Christ. Thus they are willing to deny their Christ in order that their political party may triumph. If such deny their Christ here, He will deny them on the day of judgment.

The writer defies any one to point to a single Christian nation on earth whose highest officer denies the divinity of Christ. Shall we be the first to elevate a man to the highest office in our nation who is no better than an infidel? Each individual who helps to do this will be held individually responsible.—Gospel Herald.

Kennedy's Laxative Cough Syrup is used nearly every where, because it not only heals irritation of the throat and stops the cough, but it drives the cold out of the system, through its laxative principle by assuring a free and gentle action of the bowels, and that is the only way to cure a cold. You can't cure it as long as you are constipated. Insist upon Kennedy's Laxative Cough Syrup. Sold by Chas. C. Davis.

Weak, Exhausted, Pe-ru-na Gave New Life.

Mrs. E. W. Brooks, 5415 S. Steele St., South Tacoma, Wash., writes: "I want to recommend Peruna to mothers. When my little girl came, I felt very weak and exhausted, and it seemed that I could not regain my strength. "My mother bought me a bottle of Peruna, after I had tried several other much advertised remedies without relief. I had little faith, as I was very weak, but within a week after I had commenced taking Peruna I was like a different woman. "New life and vitality seemed to come each day until in a few weeks I was in fine health and a happy woman. Thanks to your splendid medicine, I have enjoyed good health for several years. I always keep Peruna on hand, as a few doses will set me right when I am feeling badly."

Catarth of Ears.

Mrs. G. W. Heard, Hempstead, Texas, writes in regard to her son Carl: "My son's ears had been affected since he was a baby. He seemed to have risings in his head. He would be very fretful for several days, then his ears would run profusely what appeared to be corruption. "The last year I thought he had almost lost his hearing and had a local physician treating him for about six weeks, enough."

He pronounced him well and for a few weeks he was not troubled, but since that time the discharge from his ears was almost constant and very offensive.

"Finally I began giving him Peruna and Lacupia, and after he had taken two bottles of the Lacupia he was entirely cured.

"I cannot praise Lacupia and Peruna enough."

The distinguished President of Princeton University is down on athletics and secret Greek letter societies. In a recent address at Haverford College at the seventy fifth anniversary of that institution he spoke very emphatically saying: "The nation needs trained and disciplined men; men who know and who can think; men who can perceive and interpret; whose minds are accustomed to difficult tasks; whose faculties are instruments of precision, and whose judgments are steadied by knowledge. Such men the nation is not getting from the present college life and cannot get until that life is organized in a different spirit and for a different purpose. Athletics are overdone. The trouble is men are not interested in study. They have no time for it. One of the bright students once told me he had no time to take up a certain line of study as he was too busy running the college. He was looked up to by the undergraduates for suggestions and help in organizing all kinds of clubs."

POLITICS AND POLITICIANS

W. J. Bryan and W. H. Taft discuss the Philippine question in articles published in the current issue of an Eastern magazine.

Richard Croker has wired from Dublin, Ireland, \$1,000 for the national Democratic campaign fund and \$500 for the New York State campaign in behalf of Lewis S. Chandler.

President Roosevelt has signed a contract with the "Outlook" of New York, to act as an associate editor of that publication after his retirement from the presidency in March next.

William J. Bryan, speaking at several points in Illinois Monday, made the charge that the Republican party was raising a corruption fund in order to buy the election. Mr. Bryan was met by immense crowds at all points in Illinois.

William J. Bryan made a series of sixteen speeches in Ohio Wednesday, being greeted by tremendous crowds at every stop. Throughout the trip the enthusiasm was great and Mr. Bryan spoke vigorously. At East Liverpool and Steubenville the throngs were so great as to cause alarm lest someone be injured. At the former place the crowd began swaying and several women fainted and Mr. Bryan was compelled to suspend his remarks.

98 PER CENT. OF LABOR FOR BRYAN.

A dispatch from Dayton, O., says: The Ohio Federation of Labor opened its twenty fifth annual convention in Central Trades Labor Hall, with a large attendance and several distinguished visitors, including Samuel Gompers, President of the American Federation of Labor.

Mr. Gompers, who arrived from Buffalo, was so weary this morning that he postponed his address until the afternoon. After the credentials report had been received, the labor leader appeared on the platform at Eagles' Hall and delivered a characteristic address.

In an interview Mr. Gompers talked on the political situation. He said that 98 per cent. of the members of the American Federation of Labor would vote the Democratic ticket this fall. When asked as to his opinion of the prospects in the sections of the country he had visited he replied:

"It is not an opinion; it is a conviction. Voters are leaving the Republican ranks in swarms, and W. J. Bryan will sweep the country."

When quizzed as to whether or not he could "deliver" the vote of the American Federation of Labor to the Democratic party he took exception to the word "deliver" and cried: "Hold! I undertake to deliver no votes at all except my own. I do not traffic in votes. I advise our friends to vote for Mr. Bryan and the Democratic candidates for Congress."

SPECTACULAR RACING

Soldiers Take Part in Day's Events at Douglas Park.

Louisville, Ky., Oct. 9.—A large crowd attended the races at Douglas Park Thursday. It was soldiers' day, 700 enlisted men and officers who are here on an army tournament, being present. Enlisted men took part in two events, both of which were spectacular.

In the cavalry cup handicap Grimes ran away and ran through a fence. Mr. Matthews, his rider, was not seriously injured. In the Roman race four soldiers raced, each on two horses. The men stood as they rode and a pretty contest resulted. Mr. Haught was the winner by two lengths. Infant threw Mr. Douglas and ran through a fence and it looked like a serious accident, but neither horse nor rider was seriously injured.

Ecker to four years in the state penitentiary, Floyd Hyatt to two years, and Minnie Hathaway to one year, and imposed a fine of \$500 on each of them. They were arrested at Bellaire, O., two weeks ago after working slot machines at that place and Wheeling with spurious nickles.

Club Keeper Arrested.

Paris, Ill., Oct. 9.—An attempt to evade the local option law, by establishing a club, wherein each member buys his own portion of the stock and draws upon the same at his pleasure, has drawn the fire of the temperance forces, who will test the legality of the scheme. The club is in the charge of John Craig, a former saloon keeper, who is paid a stipulated consideration for ice and storage by the members. Craig was arrested yesterday on the charge of keeping a tippling house, contrary to law, and the case will have a hearing at the next term of the county court.

Grand Duchess Goes to Convent.

St. Petersburg, Oct. 9.—Grand Duchess Elizabeth, widow of Grand Duke Sergius, who was assassinated at Moscow in February of 1905, has retired to a Russian convent near Moscow. She may decide to take the veil. Since the death of her husband and the marriage of her adopted daughter, Marie, to Prince William of Sweden, the grand duchess has withdrawn almost entirely from society.

What Would You Do

If three good physicians should pronounce your case hopeless. If they should decide that you could not live longer than six weeks. And if you should get well, after using only \$12.00 worth of Dr. Miles' Heart Cure and Nerve, what would you advise a friend in like condition to do?

"I have to thank you for saving my wife's life two years ago. We had continued with the doctor until the third doctor, like the two previous ones, said that nothing could be done for her; that she had better be taken home from the hospital to quietly wait her time, which would not be over 6 weeks at the most. I brought her home, and then I thought, probably Dr. Miles' Heart Cure and Nerve might help her, so I got a bottle of each and some Nerve and Liver Pills and commenced to give them to her. We soon seen an improvement, and encouraged by this we continued giving the medicine. We gave her eleven bottles in all of the medicine. She takes it occasionally now if she feels the need. I am in the ministry, and have been for 44 years."

L. W. BETHURUM,

Judge Rockcastle County Court.

TO THE REPUBLICAN VOTERS OF ROCKCASTLE:

In announcing myself as a candidate for the office of Jailor of Rockcastle, I have no special plea to offer why I should receive the suffrage of my Republican friends except that I am a Republican, true and tried; have always been one, at all times exerting my best efforts for the success of the party. I am a temperance man and always practice what I preach. Should the voters, in their good judgment see cause to honor me with their support, I will certainly appreciate it, and should I, if elected, ever fall short of my duties as a true and faithful officer, I will willingly surrender my claims to said office, and step down and out.

Yours very truly,

Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui. Mrs. Warwick says:

TAKE CARDUI

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead." Try Cardui.
